## INSTITUTION.

INCORPORATED  
1848.

HEAD OFFICE: NO. 6 ST. ANDREW SQUARE, EDINBURGH.

THE PREMIUMS are so moderate that, at usual ages for Assurance, £1200 or thereby may generally be secured from the first for the yearly payment which usually would elsewhere assure (with Profits) £1000 only—equivalent to an immediate and certain Bonus of 20 per cent.

THE WHOLE SURPLUS goes to the Policy-holders on a system at once safe and equitable—no share going to those by whose early death there is a loss to the common fund.

Examples of Premiums for £100 at Death (with Profits).

During Life	£2 2 4	£2 8 6	£2 16 6	£3 8 2	£4 3 2

\* A person of 30 may secure £1000 at death by a yearly payment during life, of £21 3s. 4d. Or he may secure £1000 by 25 payments of £26 19s. 2d.—being thus free of payment before age 55.

Surplus at latest Investigation, £1,581,000.

Over 60 per cent. of the Members who died during last Septennium were entitled to Bonuses which, notwithstanding that the Premiums do not as a rule exceed the non-profit rates of other Offices, were, on the average, equal to an addition of over 50 per cent. to the Original Assurances.

ACCUMULATED FUNDS AMOUNT TO £13,500,000

## Rates of Postage.

### INLAND LETTERS AND BOOK PACKETS.

For a letter not above 4 oz. .... 1d. }  
 For a book packet not above 2 oz. ....  $\frac{1}{2}$ d. } Every additional 2 oz. ....  $\frac{1}{2}$ d.  
 If posted unpaid chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

Maximum size 2 feet in length, 1 foot in width, or 1 foot in depth, unless sent to or from a Government office.

Postage, amounting to £1 and upwards, on Inland Letters, &c., and Parcels may be prepaid at the Head Office in money instead of stamps.

### INLAND NEWSPAPERS.

For each Newspaper .....  $\frac{1}{2}$ d.

The publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage, if insufficiently prepaid, with double the deficiency.

Every newspaper must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

### INLAND PARCEL POST.

1 lb., 3d., then 1d. per lb. up to a weight of 11 lbs. which is 1s.

(10 lbs. and 11 lbs. charged 1s.).

Maximum weight ..... 11 lbs. Length ..... 3 ft. 6 in.

Length and girth combined ..... 6 ft. 0 in.

Parcels must be taken into a Post Office and handed over the counter. The words "Parcel Post" must appear on every parcel.

If a packet bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter, if it is fully prepaid. If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, &c., or knives, or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

If, however, such a parcel contains perishable matter it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

INLAND REGISTRATION AND COMPENSATION.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace) subject to the rules as to posting and packing, give compensation up to a maximum limit of 120*l.* for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2*d.*; and the scale of fees, and the respective limits of compensation are as follows:—

#### Post-Office Telegraphs.

##### INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is *6d.* for the first 12 words, and  $\frac{1}{2}d.$  for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one half the ordinary tariff; a fraction of a halfpenny being reckoned as a halfpenny.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of twopence per copy. Each London Postal District is regarded for this purpose as forming a separate Delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$  counts as one word, and  $109\frac{7}{8}$  as two.

*Summary of the Report presented at the Fifty-seventh Annual Meeting, held on 1st March, 1906.*  
.....

ORDINARY BRANCH.—The number of Policies issued during the year was **75,293**, assuring the sum of **£7,211,427**, and producing a new Annual Premium Income of **£395,029**.

57

The Premiums received during the year were **£4,123,318**, being an increase of **£154,302** over the year 1904.

The Claims of the year amounted to **£1,812,618**. The number of Deaths was **7,437**, and **7,775** Endowment Assurances matured.

The number of Policies in force at the end of the year was **773,051**.

INDUSTRIAL BRANCH.—The Premiums received during the year were **£6,139,050**, being an increase of **£159,715**.

The Claims of the year amounted to **£2,261,748**. The number of Deaths was **238,220** and **3,344** Endowment Assurances matured.

The number of Free Policies granted during the year to those Policy-holders of five years' standing and upwards who desired to discontinue their payments was **123,586**, the number in force being **1,102,267**. The number of Free Policies which became Claims during the year was **24,698**.

The total number of Policies in force at the end of the year was **16,065,268**; their average duration is eleven years.

The Assets of the Company, in both branches, as shown in the Balance Sheet, are **£59,464,376**, being an increase of **£4,104,871** over those of 1904.

The Staff Provident Fund, which was founded in 1898 for the benefit of the outdoor staff, shows a satisfactory increase for the year, the total amount standing to the credit of the Fund being **£148,941**.

Since the completion of the Valuation the Actuary has reported that in his opinion a general increase of *two-and-a-half per cent.* could, with safety, be granted under the principal Industrial Branch Tables if provision were made for an increase in the liability of **£750,000**. The Board have accordingly revised the Tables as from 1st March, 1906, and have made provision to meet the increased liability by the transfer during the current year of **£750,000** from the Reserve Fund to the Life Assurance Fund in the Industrial Branch, leaving this Reserve Fund at **£1,000,000**. The Shareholders will be glad to know that this revision affects nearly Thirteen Million Policies, and of this number over Ten Million Policies receive an immediate increase in the sum assured.

### Insurance against Fraud and Embezzlement.

The question of **FRAUD** by trusted Officials is so frequently brought into public prominence, that the necessity of Employers holding adequate security on behalf of responsible persons whom they employ must be freely admitted. **It is the obvious duty of Members of School Boards, Parish and County Councils, Directors of Public Companies, Committees of Charitable Institutions, Friendly Societies, etc., to see that proper security is held on behalf of those whose Funds they administer,** and the moral and financial safeguard of a Guarantee Policy issued by a good Office should commend itself.

The Premiums charged by **THE NATIONAL GUARANTEE AND SURETYSHIP ASSOCIATION** are based on the statistics of upwards of forty years' experience, and a full Prospectus containing an approximate Table of Rates for the various classes of risk will be sent on application. Special quotations are given where a large amount of business is involved.

The Association is prepared to grant immediate security to **ACCOUNTANTS, SOLICITORS, AND OTHERS,** in connection with Court appointments, and will give full particulars of the special facilities afforded on application.
